Loving Everyone Despite Differences

2018

ANNUAL REPORT

OUR SECOND YEAR

We have experienced our best year yet.

I am so excited to share with you, as LCM's Executive Director, this years annual report. LCM is 100 percent volunteer operated. We have an amazing group of people from around the world dedicated to partnering with our founder, Lufafa Emmanuel, in changing the lives of vulnerable children.

We thank you for making all this possible! Each of us can be part of change and transformation! Four years ago I said "yes" to helping Lufafa and it was the best decision of my life. I hope you are encouraged by what the power of Mukwano "friendship" can do!

FAITH

We Give the Glory to God

Thank you for your continued prayers!

Because of our champions and caring people at the hospital, Eric, is healing and doing well. He needed a blood transfusion. Lufafa is so caring, he took Eric to a private hospital where he knew some colleagues that he studied with. They helped him with the blood transfusion. Transfusions can cost about \$600. This is the same boy who's mom prayed for two weeks about what to do and someone told her about LCM's clinic.

As we enter a new year, pray about giving, visiting Lufafa, or telling your friends, family, and church about LCM. Let's continue to share what Jesus is doing!

WHERE WE ARE

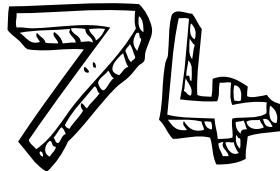

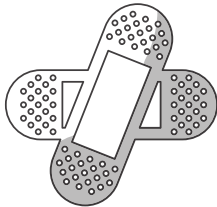

In 365 days, **\$55,575** was given to change lives. This does not include the **\$5,083** dollars given specifically for overhead costs. This is **more than double** what was given last year!

In **2018**, LCM celebrated **1** year as a nonprofit. We gained **2** new partnerships with REalize Giving and Hilfe zur Selbsthilfe Walldorf e.V. **35** children started school in Buluuta. **2** clinic beds and **1** van were purchased. Over an **acre** of land was bought and fenced in. AND we started construction on the children's home.
