Ministry Report October 2022

Festive Greetings

Once again, it's been a great month and another opportunity to serve our Lord Jesus Christ. We continue to shine the light to the dying world and also encouraging the weak brethren through the word and resources. This is a time critical exercise and for the gospel must be preached to all creation. Gratuity to our partners at Legacy Church for sowing with the sowers in the Father's field, many returns we pray.

October is a very pivotal month of the year as the community is defined by many activities closing up the year. Schools are busy with the promotional final year exams and candidates also sitting for their finals for those particular levels. This has been extremely a busy spell as we have had invitations to different schools and institutions to speak and pray with the candidates and general school populace.

Over 2000 students, 500 candidates, 90 teachers in 6 different schools were reached with the gospel and also issued bible resources. We were blessed to mentor and share the love of Christ with young upcoming leaders and established direct lines for future communication.

We are closing the year on high mark, with many lives impacted by the word of life. We have been able to walk besides the established spiritual leadership bodies in the visited areas to help in this work of evangelism.

“¹⁹ To wit, that God was in Christ, reconciling the world unto himself, not imputing their trespasses unto them; and hath committed unto us the word of reconciliation. ²⁰ Now then we are ambassadors for Christ, as though God did beseech you by us: we pray you in Christ's stead, be ye reconciled to God.”

2 Corinthians 5:19-20

We would love to utilize this time for engage different youths and help reconnect with them before the new school year. This will be a time critical and necessary exercise for we pray for God's provision and health.
- **Christmas Outreaches:** this is another season to share and show love with one another and through these outreaches we are able to remind the communities especially the vulnerable the love of Christ through tangible sharing of welfare and food items.
- **Bible restock:** we have in the last months been able to distribute over 1000 copies of new testament bibles to students and new converts and believe it's a necessary move as we point the believers to the Word of God as written in his scriptures.
- **Bible Quiz:** bible quizzes are interesting events and plans are to continue scheduling them in order to help grow the habit of reading the word of God for the students. We are considering tangible gifts like scholastic materials to the participants as a motivation.
