# INTRODUCTION

*By Emmanuel Lufafa*

Greetings fellow laborers in the vineyard, and hope you are well. We are doing fine here and are grateful to be able to reach out with the gospel to different communities without limitations. We organized 5 successful school and community outreaches sharing the word and also distributing New Testament bibles to new believers. We are thankful to God for the impact made through the month and the lives won to Christ. mentorship and baptism

# SCHOOL MINISTRY

- We have had an interesting month in different communities and districts in the country ranging from Jinja, Iganga and Luuka in Eastern Uganda.
- We have successfully shared the gospel in 5 rural schools in moslem dominated communities and had many converts and also blessed the new converts with a new testament bible to start their journey of salvation.
- The school ministry is a big opportunity to speak the word of God in the lives of these young stars and also help offer the much needed mentorship and career guidance in line with the word of God.
- As referenced in Matthew 28:18-20, Jesus commissioned us to Go and Make disciples in all nations and there is no better opportunity than launching out for lost souls.

# YOUTH MINISTRY

- We also took this opportunity to organize our holiday youth conferences to help equip youth with the necessary word for evangelism. The conferences are scheduled quarterly utilizing the school breaks as an opportunity to empower the young stars. Different youth leaders from the communities were invited and left equipped for evangelism.

# SPECIAL THANKS

- We have had an interesting and fruitful month doing evangelical reach outs with the team here and we have seen many souls won for Christ, and also new converts gifted with the word of God.
- So we are thankful to Legacy Church at North East Park for the financial gift that has successfully been utilized for the glory of God. There is a lot of hunger and thirst for the word but a few laborers to carry the good news.
- The blessing of reaching out to the lost and witnessing a total life transformation is an experience worth relieving. Thank you for the opportunity to serve.
