NOVEMBER 2022

To our dear friends at Legacy Church at North East Church, praise the Lord. I greet you all and want to open up with a thank you for walking alongside our evangelism team to share the light of God to all souls. November is the final month in schools hence we utilized it to reach out to the candidates students and also continuing evangelizing the communities. Many lives continue to be blessed and transformed through these ministry outreaches.

SCHOOL MINISTRY

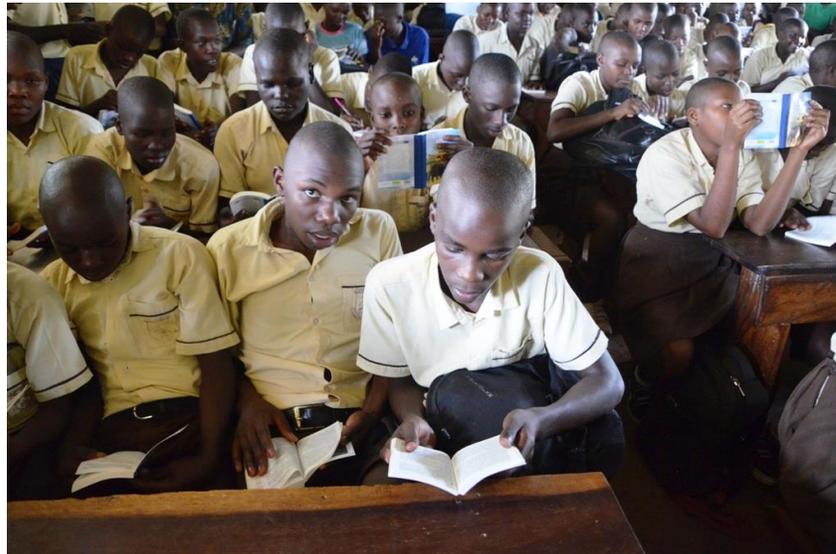

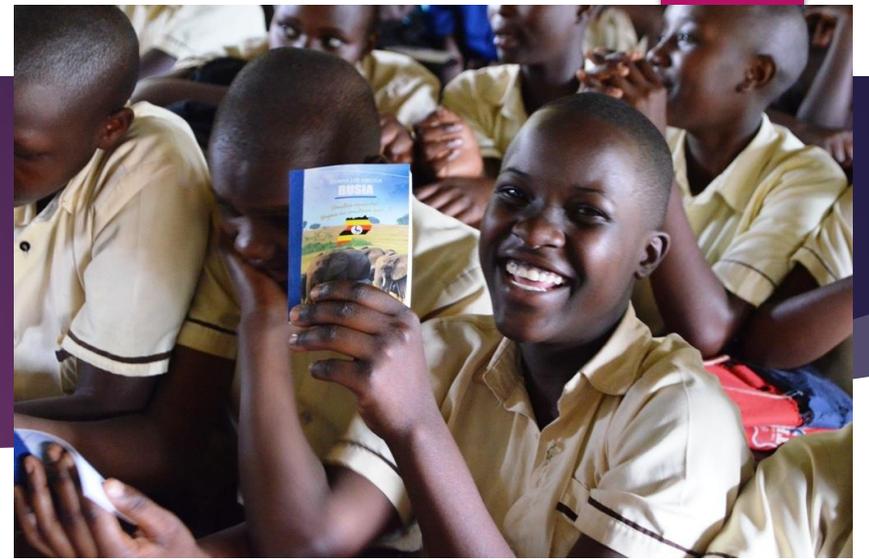

We had an interesting month in different communities villages in Jinja targeting candidates and also reaching our out the youth groups.

We successfully shared the gospel in different rural schools in moslem dominated communities and had many converts and we also blessed them with new testament bibles for continued discipleship.

The school ministry is a big opportunity to speak the word of God in the lives of these young stars and also help offer the much needed mentorship and career guidance in line with the word of God.

YOUTH MINISTRY

- We also took this opportunity to organize our holiday youth conferences to help equip youth with the necessary word for evangelism. The conferences are scheduled quarterly utilizing the school breaks as an opportunity to empower the young stars. Different youth leaders from the communities were invited and left equipped for evangelism.

2 Corinthians 5:18-21

18 All this is from God, who reconciled us to himself through Christ and gave us the ministry of reconciliation: 19 that God was reconciling the world to himself in Christ, not counting people's sins against them. And he has committed to us the message of reconciliation. 20 We are therefore Christ's ambassadors, as though God were making his appeal through us. We implore you on Christ's behalf: Be reconciled to God. 21 God made him who had no sin to be sin for us, so that in him we might become the righteousness of God.

SPECIAL THANKS

We have had an interesting and fruitful month doing evangelical reach outs with the team here and we have seen many souls won for Christ, and also new converts gifted bible which is the word of God.

The intentional outreaches have yield many testimonies and good reports from the visited communities and also generated invitations for more visits so more lives can be blessed and more ministers equipped.

So we are thankful to Legacy Church at North East Park for the financial gift that has successfully been utilized for the glory of God. There is a lot of hunger and thirst for the word but a few laborers to carry the good news.
