Ministry Report April 2023

Vineyard Greetings

Once again, it's been a great month and another opportunity to serve our Lord Jesus Christ. We continue to soldier on knowing very well that a prize awaits the diligent in the Lord and He is faithful who gave it all for us.

The first quarter of the year has been a very interesting time for we have witnessed growth through discipleship and targeted outreaches and this has bolstered our strength as the evangelism team and believe our reach will even be greater as the time goes on.

We purposed to train 30 young leaders to join the team and we have full day Saturday sessions where this team has been trained in the deeper truth of the gospel and equally equipped to share the same in the outreaches we do. We noticed the great need of follow up ministry from trained personnel after the gospel is preached in order to leave a lasting impression and ensure the kingdom gains are not lost. So watering of the planted seeds, mentorship and discipleship is our mandate this year.

So with the many continued outreaches and programs both online and in person, I am very confident to say that there is hope for the gospel in Uganda with these dedicated youngsters join the team. We would love to appreciate our partners for all the support and also appreciate the local leaders who continue to be pivotal in these trainings.

“³⁶ When he saw the crowds, he had compassion for them, because they were harassed and helpless, like sheep without a shepherd. ³⁷ Then he said to his disciples, “The harvest is plentiful, but the laborers are few; ³⁸ therefore pray earnestly to the Lord of the harvest to send out laborers into his harvest.”

Matthew 9:36-38

YOUNG LEADERS' DISCIPLESHIP TRAINING

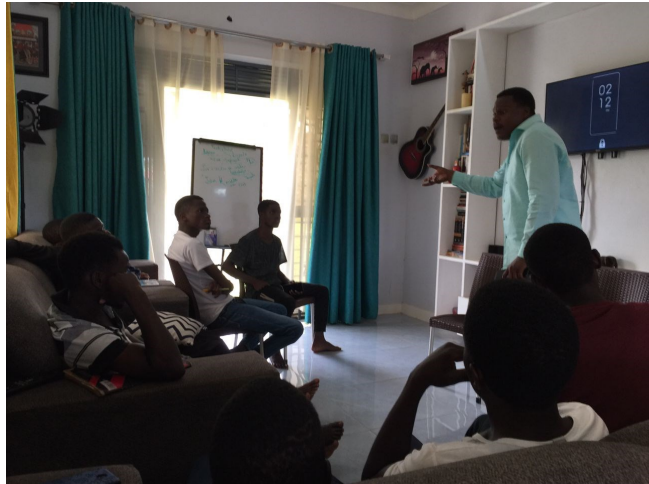

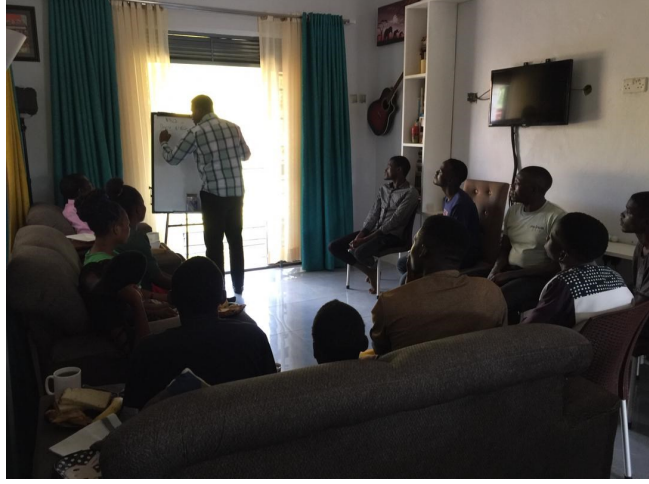

MINISTRY PRAYER REQUESTS

- **Holiday Outreaches:** the month of May is a prime time for the gospel because its mostly holiday time in Uganda with all schools closed and the children home. We would love to utilize this time for engage different youths and help reconnect with them before they return for their second school term. This will be a time critical and necessary exercise therefore we pray for God's provision and health.
- **Leadership Training ;** we have witnessed what the power of a team can do and we appreciate every effort invested in equipping these young leaders with the much needed knowledge, information and resources to share the gospel holistically. This has in turn lifted the burden and created bigger channels for the gospel missions.
- **Bible restock:** we continue to share new testament bibles with new believers and students and we have fully exhausted our stocks so we pray doors for more bibles will open so we can equip people with the word.
- **Bible Quiz:** bible quizzes are interesting events and plans are to continue scheduling them in order to help grow the habit of reading the word of God for the students. We are considering tangible gifts like scholastic materials to the participants as a motivation for this holiday program.
