

LORD'S COMPASSION MINISTRY

ANNUAL REPORT

2023

THE GOSPEL

Thanks to Legacy Church the LCM team was able to share the Gospel with many people.

THE CLINIC

Lufafa was able to treat 238 patients this year. We were able to keep a stock of various medications as well.

PROJECTS

We started building the school and dining hall. We also continued growing the garden.

THE NUMBERS

In 365 days, \$40,000 was given to change lives. We kept expenses low and only spent \$6,000 on important items to operate a non-profit. Children remained in school, patients were treated, and we started building a school.
