LCM Evangelism Report

July 2023

Vineyard Greetings

Greetings to you all in the name of Jesus, and congratulations upon making it to the second half of the year. May to July has been an eventful and gracious period to us. When I sit down to write about it, surely makes me count the million miracles God has worked both in us and others.

On the 9th of this month, our evangelism minister Holiness and Wife welcomed their first baby Janelle Splendor Kibumba and she is indeed a bundle of joy. So we praise the Lord for continuing to work in us.

We continue to witness spiritual growth, life transformation through the different programs we are under taking. We have Monday zoom classes and are awesome and keep raising leaders through deeper teachings of the word as we go through the bible and have indeed covered Genesis to Numbers by end of Month.

The Saturday fellowships have opened room for many high school leaders in our ranks and Paul has assumed leadership of Scripture Union of his school and now attends the sessions with some of his leaders every Saturday. This is indeed the fruit of investing in intentional leadership training.

The mobile stations also follow the same curriculum and are growing and these pilot studies have introduced us to new exciting experiences as will expatiate in detail.

Thank you Legacy Church for making all this possible.

“¹⁷ Therefore, if anyone is in Christ, the new creation has come: The old has gone, the new is here!
¹⁸ All this is from God, who reconciled us to himself through Christ and gave us the ministry of reconciliation: ¹⁹ that God was reconciling the world to himself in Christ, not counting people’s sins against them. And he has committed to us the message of reconciliation. ²⁰ We are therefore Christ’s ambassadors, as though God were making his appeal through us. We implore you on Christ’s behalf: Be reconciled to God.”

2 Corinthians 5:17-20

GIFT OF A BABY GIRL

Before I dive into the report, would love to share with you, some pics of Janelle our gift from God. Surely every child born is a gift entrusted by God to the parents to nurture her in the path of God. So we embrace this honor and hope to raise Janelle Splendor Kibumba, in the fear of the Lord as He enables us. Thankful to my beloved wife Shipha for bearing this fruit to full term and also being a great young mother.

MONDAY ZOOM CLASSES

The Zoom logo is displayed in white lowercase letters on a blue rectangular background.

We have had a wonderful month dwelling in the new module which will see us cover the whole Old Testament (TaNaKh) together as a class. We have thus far covered the first books up to Numbers as we continue in the modules. The experience has been great watching the story unfold and overlap over the books as you read them in their order. The Monday class as highlighted before is a mix of youth leaders, young adults, pastors and believers generally and surely continues to equip all with the necessary information for ease of ministry.

I have received testimonies from some members held up at work that these sessions are the only time they get quality fellowship on top of the deep studies and insight.

SATURDAY IN-PERSON FELLOWSHIPS

The Saturday fellowships continues to grow and offers the much needed platform to many young leaders. We have seen an increase in their confidence and also see general maturity in the bible knowledge due to intentional hours of study. Two of our own Paul have taken on leadership roles in the school scripture union and surely know this will extend our influence to the students in these schools.

We also got to celebrate two lives won for Christ when Carlos and Felix were all invited to attend our sessions. So we led them to Christ and continue to follow them up for mentoring and discipleship. Below are some moments of Carlos giving his life to Christ led by Geoffrey one of the leaders.

We got an opportunity to host Moses Musinguzi one of our colleagues from Teen Boost and we had a blast with the youth.

Below are some moments from Saturday sessions

JINJA DISCIPLE HUB SATURDAY SESSIONS

OUTDOOR SATURDAY SESSIONS

MOBILE DISCIPLE STATIONS

The Mobile Disciple stations this month were interesting and opened us to the different challenges and opportunities as we visited stations in Kagoma and Buyengo, Like already informed, the stations entail travel and set up then unpacking a full months study of the Disciple Hub to this particular group as our cycle means we can only visit the station once every month per now. But as we delivered, the team leaders all discovered that these rural churches fall far back and require extra attention and much language translation in order to grasp basic facts until they can run.

So we sampled with the Kagoma group by use of a read questionnaire to assess scope of bible knowledge and this will guide our approach in delivering Disciple material and resources. This approach will also apply for both stations in this coming month. To further aid effective study, we saw the need to acquire some copies of printed bibles in the local dialects of Lusoga and Luganda and a few copies in English in order to have a set of bibles to carry along which can be distributed amongst the groups to facilitate the discipleship. Due to the resource envelop, we believe these copies won't be for distribution but distributed and recollected until next time however, a token for new testament bibles which are cheaper can also be considered when we start dwelling in the new testament.

The program outline in the sessions starts with an overview from Ps Holiness, then breakout into 4 groups of the members present each group led by the young facilitators to further discuss what has been shared and guiding discussion and generating questions. We have always been forced to have the 5th group due to some youngsters that attend as they tag along. The panels and members sharing after reconvening shed a lot of light to the need for discipleship and local leaders once again expressed extreme gratitude for the program and promised to even invite more churches to convene because they love the content and believe it will help many.

OVERNIGHT BIBLE STUDIES

We have great times in the overnight every first week of the month breaking down the scriptures for over 8 hours through the night. The next overnight is upon us this week, and can't wait to make grounds.

CONCLUSION AND PRAYER REQUEST

The months of May to July have flown fast before our eyes but we are grateful to God who has given us the strength to execute the mandate before us. We have had different highlights as broken down and hence the prayer requests indicated. Just to reiterate, the need for printed bibles is the only need at hand.

Pray for wisdom and leading in all things as we strive to best deliver according to the different community needs. And finally, pray for the hearts of many to be turned to the Lord and also pray for fertile soils that will receive the word and bear fruit .

To the Legacy Church At North East Church family, thank you very much for being a blessing to the nations and walking alongside us.
